LOBSTERFEST

DOGGY DAY AT THE DEER DISTRICT

INTRODUCTION

A. BACKGROUND

In 1984, the Wisconsin legislature created S. 66. 1109 of the Statutes (see Appendix A) enabling cities to establish Business Improvement Districts (“BIDs”). The purpose of the law is “to allow business within those districts to develop, to manage and promote the districts and to establish an assessment method to fund these activities.” (1983 Wisconsin Act 184, Section 1, legislative declaration.)

In the year 2023, the City of Milwaukee received a petition from property owners which requested the creation of a BID for the purpose of revitalizing and improving the Deer District business area in Milwaukee’s Downtown (see Appendix B) (the “District”). BID law requires that every district have an annual Operating Plan (“Plan”). Pursuant to the statute, this is the Plan for the year 2024 for the District. The BID proponents prepared this Plan with technical assistance from the City of Milwaukee Department of City Development.

DISTRICT BACKGROUND

NEIGHBORHOOD PROFILE

- A. The District is comprised of thirty (30) acres of mixed-use development and is considered one of Downtown Milwaukee’s central attractions. Anchored by Fiserv Forum, home of the Milwaukee Bucks, a member team of the National Basketball Association (“NBA”), the District also includes the plaza, Entertainment Block, the Froedtert & the Medical College of Wisconsin Sports Science Center, as well as a parking structure. Currently, the Entertainment Block houses numerous dining and entertainment options, and is separated by two public walkways, one of which leads to an outdoor beer garden.

PHYSICAL SETTING

- B. Boundaries of the BID are shown on Appendix C of this Plan. The BID extends from North 6th Street to the west but including the Froedtert & the Medical College of Wisconsin Sports Science Center which is located further west, just south of West Fond Du Lac Avenue and north of West Winnebago Street and West Juneau Avenue; West Juneau Avenue, West State Street and West Highland Avenue to the south; North Old World Third Street and North Vel R. Phillips Avenue to the east; and West McKinley Avenue and West Fond Du Lac Avenue to the north. Boundaries of the proposed BID are shown on the map in Appendix C of this plan. A listing of the properties included in the BID is provided in Appendix D.

In addition, Section 66.1109(1)(b), Wisconsin Statutes, provides that the boundaries of a BID “shall include parcels that are contiguous to the [D]istrict but that were not included in the original or amended boundaries of the [D]istrict because the parcels were tax-exempt when the boundaries were determined and such parcels became taxable after the original or amended boundaries of the [D]istrict were determined.” This Plan recognizes that the parcels shown on Appendix C labeled as “Vacant Land” or “Exempt Open Space” are currently being included within the boundaries of the BID but will not be assessed until such time as the parcel(s) become(s) taxable. Future operating plans of the BID will reflect the inclusion of such parcel(s) at that time.

A. PLAN OBJECTIVES

The BID's objectives are to enhance the District as a 365-day destination and make the District a premiere location for sports and entertainment, and a neighborhood built for Milwaukee to live, work and play by the following:

- i. Increasing pedestrian traffic to the businesses within the BID through cooperative marketing and advertising as well as hosting private and public events;
- ii. Promoting economic development and providing growth opportunities to the businesses within the District;
- iii. Fostering an environment to better serve and support the existing businesses in the District;
- iv. Creating an appealing, attractive environment for potential, future businesses in the District;
- v. Providing businesses in the District with an active role in the programming in and marketing of the District;
- vi. Identifying, strategizing and advocating for improvements in the District in terms of infrastructure and public safety
- vii. Engaging growing neighborhood residential base; and
- viii. Developing a plan to have the District be recognized as a preferred destination for diversity, equity and inclusion in the City of Milwaukee.

The District may, from time to time and as it deems necessary in its sole discretion, to modify the scope of the above-listed objectives; provided, however, such modifications maintain the underlying purpose and/or goal of the objectives set forth above.

B. PROPOSED ACTIVITIES FOR 2024

The District's proposed activities to achieve its objectives during calendar year 2024 include, but are not limited to, the following:

- i. Funding extensive marketing of the District and businesses, and associated events, located in the BID;
- ii. Providing grants, stipends and/or complimentary services (e.g., housekeeping, security staff, electrical) to individuals or businesses to host events on the Plaza or other public areas within the District;
- iii. Hosting events in the District (e.g., Children's Programs, Plaza Events, Music Series, Annual Signature District Event) and organizing and managing contracts related to event-related services and expenses (e.g., housekeeping, security);
- iv. Collecting and analyzing demographic and economic data related to pedestrian traffic, attendance at events, and revenues generated by businesses within the District directly and indirectly related to events held in the District;
- v. Continuing to work closely with City of Milwaukee officials to connect government resources with the businesses within the District and to improve public safety and business growth by assessing opportunities to increase walkability, parking options, and public transportation into and from the District; and

- vi. Conducting administrative activities, including, but not limited to, securing an independent certified audit as required by law or as necessary as determined by the BID in its discretion, securing insurance for the activities of the District’s Board, and complying with the open meetings law, Subchapter V of Chapter 19 of the Wisconsin Statutes.

The District may, from time to time and as it deems necessary in its sole discretion, to modify the scope of the above-listed proposed activities, including, among other things, its staffing levels and size; provided, however, such modifications maintain the underlying objectives of each of the proposed activities set forth above.

D. FINANCING METHOD

PROJECTED 2023 ASSESSMENTS – \$201,741.80

It is proposed that Two Hundred One Thousand Seven Hundred Forty-One Dollars and Eighty Cents (\$201,741.80) shall be raised through BID assessments in Milwaukee through the businesses located in the District (see Appendix D). It is also anticipated that the BID will be able to obtain and secure third-party sponsorships and event revenue for certain events held within the District in an amount equal to Twenty

Thousand Dollars (\$20,000.00).

The total proposed revenues that the BID expects to have for operating year 2024 is Two Hundred Twenty-One Thousand Seven Hundred Forty-One Dollars and Eighty Cents (\$221,741.80). In addition to the services provided by the City of Milwaukee, Deer District LLC, the entity that operates and manages Fiserv Forum, retains and manages contracts with service providers for housekeeping and security within the District. The Board (defined below) shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

E. ORGANIZATION OF BID BOARD

Upon creation of BID, the Mayor appointed members to the board of the BID to implement this Plan (“Board”). All members of the Board serve staggered terms as designated by the local legislative body and shall annually consider and make changes to this Plan. In order to implement this Plan, the Board will, among other things, prepare and make available to the public annual reports detailing the BID’s current status, including revenues and expenses; negotiate with providers of service and materials to carry out this Plan; to enter into various contracts; to monitor development activity; to periodically revise this Plan; to ensure compliance with the provision of applicable statutes and regulations; and to make reimbursements for any overpayment of BID assessments.

Wisconsin Statutes section 66.1109(3)(a) requires a majority of members of the Board to own or occupy real property in the BID. See Appendix E for the Planned 2024 District BID roster.

The BID Board for the District will be structured and operate as follows:

- i. Board Size— Five (5) board members
- ii. Composition—At least three (3) members shall be owners or occupants of property within the District. Any non-member or non-occupants appointed to the Board shall be a resident of the City of Milwaukee. Board composition shall reflect the geographic area and mix of business types and land uses present within the District.
- iii. Officers – The Board shall elect a Chairperson, Secretary, and Treasurer from among its members.
- iv. Term – Appointment to the board shall be for a period of three (3) years, except that in calendar year 2023, as the BID’s inaugural year, two (2) members shall be appointed for a period of three (3) years, two (2) members shall be appointed for a period of two (2) years, and one (1) member shall be appointed for a period of one (1) year.
- v. Compensation – None
- vi. Meeting – All meetings of the Board shall be governed by the Wisconsin Open Meetings Law. In the event of a tie in any matter on which an even number of Board members vote, the vote of the Chairperson shall be deemed the tie-breaker.
- vii. Record Keeping – Files and records of the Board’s affairs shall be kept pursuant to public record requirements as outlined in Appendix A.
- viii. Staffing – The Board may employ staff and/or enter into contract(s) for staff and/or staffing services pursuant to this Plan and subsequent modification thereof.
- ix. Meeting Frequency – The Board shall meet regularly, at least four (4) times per calendar year, and shall draft and adopt by-laws in calendar year 2024, or operating year one (1), to govern the conduct of its meetings.
- x. Notice of Meetings – Meeting notices shall follow Wisconsin Open Meetings Law.

A. ASSESSMENT RATE AND METHOD

ASSESSMENT RATE – \$2 PER \$1,000 OF ASSESSED VALUE

The principle behind the assessment methodology is that each property should contribute to the BID in proportion to the benefit derived from the BID. After consideration of other assessment methods, it was determined that assessed value of a property was the characteristic most directly related to the potential benefit provided by the BID. Therefore, a fixed assessment on the assessed value of the property was selected as the basic assessment methodology for this BID; provided, however, no one (1) individual property shall be required to pay an amount greater than forty percent (40%) of the total assessment for all properties in the BID during any given operating year, which for operating year 2024 shall equal Eighty-One Thousand Two Hundred Ninety-Five Dollars (\$81,295.00). All assessed values of a property will be based on the values set by tax assessors. However, the amount of an assessment against a particular property may change from year to year if that property's assessed value changes relative to other properties within the District.

This Plan proposed to assess the property in the District at a rate of Two Dollars (\$2.00) per One Thousand Dollars (\$1,000.00) of assessed value, for the purpose of the BID, with a maximum assessment per parcel of Eighty-One Thousand Two Hundred Ninety-Five Dollars (\$81,295.00).

Appendix D shows the projected BID assessment for each property included in the District.

B. EXCLUDED AND EXEMPT PROPERTY

The BID Law requires explicit consideration of certain classes of property. In compliance with the law, the following statements are provided:

- i. Wisconsin Statute 66.1109(1)(f)1m: If applicable, the District will contain property used exclusively for manufacturing purpose, as well as properties used in part for manufacturing. These properties will be assessed according to the method set forth in this Plan because it is assumed that they will benefit from development in the District.
- ii. Wisconsin Statute 66.1109(5)(a): Property known to be used exclusively for residential purposes will not be assessed; such properties will be identified as BID Exempt Properties in Appendix D, as revised each year.

RELATIONSHIP TO MILWAUKEE COMPREHENSIVE PLAN & ORDERLY DEVELOPMENT OF THE CITY

A. CITY PLANS

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population, or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the common council gave new emphasis to forgoing new public and private partnership as a means to accomplish preservation.

The District is a means of formalizing and funding the public-private partnership between the City and property owners in the District business area and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. CITY ROLE IN DISTRICT OPERATION

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City is expected to play a significant role in the creation of the Business Improvement District and in the implementation of the Operating Plan. In particular, the City will:

- i. Provide technical assistance to the proponents of the District through adoption of this Plan, and provide assistance as appropriate thereafter;
- ii. Monitor and, when appropriate, apply for outside funds that could be used in support of the District;
- iii. Collect assessments, maintain in a segregated account, and disburse the monies of the District;
- iv. Receive annual audits as required per sec. 66.1109(3)(c) of BID law;
- v. Provide the Board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the District, as of January 1st of each Plan year, for the purpose of calculating the BID assessment; and
- vi. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the District.

FITNESS ON THE PLAZA

DEER DISTRICT MARKET SERIES

A. PUBLIC REVIEW PROCESS

The Wisconsin Business Improvement District law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process will be followed:

- i. The Milwaukee City Plan Commission will review the proposed District boundaries and proposed Plan and will then set a date for a formal public hearing.
- ii. The City Plan Commission will send, by certified mail, a public hearing notice and copy of the proposed Plan to all owners of real property within the proposed District. In addition, a Class 2 notice for the public hearing will be published in a local newspaper of general circulation.
- iii. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
- iv. The Community and Economic Development Committee of the Common Council will review the proposed Plan at a public meeting and will make a recommendation to the full Common Council.
- v. The Common Council will act on the proposed Plan.
- vi. If adopted by the Common Council, the proposed Plan is sent to the Mayor for his approval.
- vii. If approved by the Mayor, the BID is created and the Mayor will appoint members to the Board established to implement the Plan.

B. PETITION AGAINST CREATION OF BID

The City may not create the BID if, within thirty (30) days of the City Plan Commission’s hearing, a petition is filed with the City containing signatures of:

Owners of property to be assessed under the proposed initial Plan having a valuation equal to more than forty percent (40%) of the valuation of all property to be assessed under the proposed initial Plan, using the method of valuation specified in the proposed initial Plan; or

Owners of property to be assessed under the proposed initial Plan having an assessed valuation equal to more than forty percent (40%) of the assessed valuation of all property to be assessed under the proposed initial Plan.

FUTURE YEAR OPERATING PLANS

A. PHASED DEVELOPMENT

It is anticipated that the BID will continue to revise and develop the Plan annually, in response to changing development needs and opportunities in the District, in accordance with the purposes and objectives defined in this initial Plan.

Section 66.1109(3)(a) of the BID law requires the Board and the City to annually review and make changes as appropriate in the Plan. Therefore, while this Plan outlines in general terms the complete development program, it focuses upon activities in year one (1) of the BID (“Year One”), and information on specific assessed values, budget amounts and assessment amounts are based on Year One conditions. Greater detail about subsequent year’s activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the BID law.

The BID’s operating plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. AMENDMENT, SEVERABILITY AND EXPANSION

This BID has been created under authority of Section 66.1109 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the BID and this Plan shall be amended to conform to the law without need of reestablishment. Should the legislature amend the Statute to narrow or broaden the process of a BID so as to exclude or include as assessable properties a certain class or classes of properties, then this Plan may be amended by the Common Council of the City of Milwaukee as and when it conducted its annual Operating Plan approval and without necessity to undertake any other act. This is specifically authorized under Section 66.1109(3)(b).

C. TERMINATION OF THE DISTRICT

The City shall terminate the BID if either (i) the owners of property assessed under this Plan having a valuation equal to more than 50% of the valuation of all property assessed under this Plan, using the method of valuation specified herein, or (ii) the owners of property assessed under this Plan having an assessed valuation equal to more than 50% of the assessed valuation of all property assessed under this Plan, file a petition with the City Plan Commission requesting termination of the BID. On or after the date such a petition is filed, neither the Board nor the City may enter into any new obligations by contract or otherwise until the expiration of thirty (30) days after the date a public hearing is held and unless the BID is not terminated. Within thirty (30) days after filing of a petition, the City Plan Commission shall hold a public hearing on the proposed termination. Notice of the hearing shall be published as a Class 2 notice. Before publication, a copy of the notice with a copy of this Plan and a copy of the detail map showing the boundaries of the BID shall be sent by certified mail to all owners of real property within the BID. Within thirty (30) days after the date of such hearing, every owner of property assessed under this Plan may send a written notice to the City Plan Commission indicating, if the owner signed a petition, that the owner retracts the owner's request to terminate the BID or, if the owner did not sign the petition, that the owner requests termination of the BID. If, after the expiration of thirty (30) days after the date of the public hearing, by petition or subsequent notification and after subtracting any retractions, the owners of property assessed under this Plan having a valuation equal to more than 50% of the valuation of all property assessed under this Plan, using the method of valuation specified in this Plan, or the owners of property assessed under this Plan having an assessed valuation equal to more than 50% of the assessed valuation of all properties assessed under this Plan have requested the termination of the BID, the City shall terminate the BID on the date that the obligation with the latest completion date entered into to implement this Plan expires.

(d), the owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the

operating plan, or the owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, have requested the termination of the business improvement district, the municipality shall terminate the business improvement district on the date that the obligation with the latest completion date entered into to implement the operating plan expires.

(5)

(a) Real property used exclusively for residential purposes and real property that is exempted from general property taxes under s. 70.11 may not be specially assessed for purposes of this section.

(b) A municipality may terminate a business improvement district at any time.

(c) This section does not limit the power of a municipality under other law to regulate the use of or specially assess real property.
